

GEORGIA WORLD CONGRESS CENTER
ATLANTA | FEBRUARY 6-9

Attend North America's Biggest Supply Chain and Logistics Expo

In February 2012, manufacturing, distribution and supply chain professionals from more than 90 countries will meet in Atlanta for the industry's newest expo, **MODEX 2012™**. They will come to see, touch and operate the solutions of over 500 of the top equipment and systems providers.

The 150,000 square foot show floor will feature manufacturing, distribution, and logistics solutions for the supply chain. An educational conference will offer industry expertise on the latest supply chain innovations.

Crown Plastics Company invites you to join us February 6-9, 2012 at the Georgia World Congress Center by attending **MODEX 2012**.

[Register online today](#) for free admission to the show and educational conference.
